## NEWS RELEASE

Jakarta, 30 September 2011

### **PT Sierad Produce Tbk (“Company”) Obtains Additional Loan Facility**

In line with business expansion, on 28 September 2011, PT Sierad Produce Tbk (Company) signed Loan Agreement with Bank Mandiri (Persero), Tbk (“Bank Mandiri”) for the granting of working capital loan facility and investment loan in the amount of Rp 140 billion.

This financial facility is the addition of the facilities which have been obtained before in the form of working capital loan and investment loan in the amount of Rp 135 billion. Given the relatively low leverage level, financing through banking sector is the best alternative for the Company to fulfill its financing need.

The Company is optimistic that in line with the addition of loan facility, the performance of the Company will improve and will be able to achieve the determined target.
